

Planetmates: The Great Reveal (Paperback)

Filesize: 5.05 MB

Reviews

This publication is worth getting. This is certainly for those who statte that there was not a well worth studying. Its been written in an exceptionally simple way in fact it is only after i finished reading through this ebook in which in fact transformed me, modify the way i believe.

(Mr. Hester Prohaska DVM)

PLANETMATES: THE GREAT REVEAL (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.ANGELS IN NATURE BRINGING TOUGH LOVE AND A MESSAGE OF HOPE This is The Great Reveal - arranged by the Planetmates for the benefit of humans on the eve of the biggest challenge ever to face humans or even the planet at any time of its existence. Planetmates are the beings with whom we share this planet, our fellow Earth Citizens. This revelation comes in the form of prasads, a Sanskrit term, meaning a blessing from a divine being. The Planetmates explain who they are, who we are, what we think of ourselves . and why it is wrong, has always been wrong . and why it is now of dire importance for us to remember again the truth of us. On the eve of our imminent environmental implosion - with half of their species slated for extinction within mere decades, along with untold numbers of our own lives - they take us beyond our previous ideas about Nature, existence, humanity, soul, Divinity or God, goodness, love, happiness, and life. They bring astounding revelations on work, play, family, children, consciousness; and they correct our thinking on them in glorious ways. Altogether, they show something much more wondrous, yet more in keeping with what our sciences have come to know to be true. The Planetmates explain why we could never know or even imagine who we are and how we have always been wrong-getted in our thinking of our relation to Nature and Existence itself. It has to do with a uniquely human characteristic we developed, which turned truth on its head. However, through a fortuitous coming together of scientific and cultural understandings - available in history at only...
