Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from *The Study of History in England and Scotland* The unavoidable and indeed prudent delay of certain long-promised municipal studies and the very agreeable change of thought introduced by Mr. James Bryce in his recent paper on *The Predictions of Hamilton and De Tocqueville*, have induced the editor to modify his plans for the remainder of the present Series. He takes great pleasure in presenting to his countrymen the interesting *Notes and Impressions of Professor Paul Fredericq*, of the University of Ghent, concerning *Advanced Instruction in History in England and Scotland*. These suggestive observations have been admirably translated into English by a former pupil, a graduate of Smith College, Miss *Henrietta Leonard*, of Philadelphia, the first lady contributor to these *Studies*. Professor *Fredericq* is the first contributor from the Continent, as Professors *Bryce* and *Freeman* were the first from England, and Dr. *Bourinot* the first from Canada. The Sixth Series in double numbers will be published together in a bound volume early in the year 1888 and will be entirely the work of Johns Hopkins University graduates. Subject: *The History Of Cooperation In The United States*. Price \$3.00, bound in cloth uniform with previous volumes. The entire set of Six Annual Series is now offered in a handsome Library Edition for \$18.00; with the three Extra Volumes, New Haven, Baltimore, Philadelphia, altogether nine volumes, \$22.00. About the Publisher *Forgotten Books* publishes hundreds of thousands of rare and classic books. Find more at [This book is a reproduction of an important historical work.
