Brand New Book ***** Print on Demand *****.When two girls mysteriously vanish from an abandoned quarry, teenage police cadets Jacques and Wuji are determined to investigate. Trained in various skills since they were six years old, they have been secretly solving crimes while their parents remain oblivious, and have not yet met their match. But when they are kidnapped by the menacing Alfonse and uncover his terrifying underground operation, they find more than they bargained for. Their captor intends to use them as guinea pigs for his sinister weapon developments and, together with the two equally well-trained girls, Jacques and Wuji must save the nearby town and city from the threat of a massive nuclear explosion. Will the four friends be able to escape the underground labyrinth and stop the bombs from exploding before it s too late? Or will they be doomed to a life of imprisonment with the other captives - or worse? With its explosive action scenes, nail-biting suspense, extraordinary gadgets and brave and humorous characters, Outsmarted is where young and old can live the story with these four. Whether you re 16 or 80 years old, if you enjoy a good on-the-edge-of-your-seat book, this is for you! I proofread the book for Charlie and was not able to put it down until I finished it. I got to bed at 3am, Julia said. Charlie s imagination overtook all limits of creativity with this first book in the series The Formidable Four. I told Charlie he ought to get Outsmarted into the hands of the movie industry, Julia said, it ll be a good match for top action thrillers. Although Outsmarted has been written with the teenage market in...
