Brand New Book ***** Print on Demand *****.Excerpt from Suggestive Outline in Woodwork and Drawing for Grades and High School: Also a Preliminary Statement Regarding Work in Metal and Cement New Ideas and Inventions Discuss any new idea or invention with the class that is related to the shop or industries. Make such points as where the invention will be most helpful, how will it affect the people as a whole, what effect, if any, it will have in our daily life. Bulletin Board Have a bulletin board for cuttings on interesting subjects, and encourage the boys in the class to bring these cuttings. For example, many interesting cuttings may be taken from The Popular Mechanics Magazine or from The World s Work. Notebooks It is a good plan for the teacher to keep a good loose leaf notebook with short notes on his subjects, and to add to them when opportunity offers. If the notebook is of such a size that it can be carried conveniently in the pocket, more helpful material will find its way into it than if it were one...
