

The Untold History of the United States

By Oliver Stone, Peter Kuznick

BRILLIANCE AUDIO, United States, 2014. CD-Audio. Book Condition: New. Unabridged. 173 x 140 mm. Language: English . Brand New. At last the world knows America as the savior of the world! Woodrow Wilson The notion of American exceptionalism, dating back to John Winthrop s 1630 sermon aboard the Arabella, still warps Americans understanding of their nation s role in the world. Most are loathe to admit that the United States has any imperial pretensions. But history tells a different story as filmmaker Oliver Stone and historian Peter Kuznick reveal in this riveting account of the rise and decline of the American empire. They trace the American empire through the bloody U.S. suppression of the Filipino struggle for independence; the establishment of U.S. financial hegemony via World War I; the repeated U.S. interventions, covert operations, and wars in Latin America, Asia, and the Middle East; the transformation of America into a prying national security state; the accumulation of vast fortunes by the wealthiest Americans; and troubling assaults on U.S. constitutional liberties. Aided by the latest archival findings and recently declassified documents and building on the research of the world s best scholars, Stone and Kuznick construct an often shocking but meticulously...
