By Sunny Bu

Publishamerica, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Human rights and democracy are at the forefront of an ordinary touristic town in mainstream America minus the freedom for classless individuals who aren't part of these rights. They're the homeless, or social outcasts, and a real to life depiction of events happening in a picture-perfect town in America called Sarasota, Florida, reveals the assault against Americans basic freedoms. The individualistic and burly homeless man named Bruno bears the marks society's inflicted on such individuals. Two lawyers go grass roots to use his past, and stigma, as bait to reveal malfeasance in a seaside town. A real to life agent provocateur-trouble maker-emerges to wage a battle against a discriminatory theory but not without the help of an alluring, female Japanese undercover ombudsman whose assistance expels this theory by electronically bugging city officials and Bruno. Meet Agent Provocateur-soon to be series-and an ongoing battle that's yet to depict the complete and unsung story of living as an American without rights associated as democratically constitutional in a country that's supposed to be free for all.
