MATHEMATICS EDUCATION: A NUMERICAL LANDSCAPE

Nova Science Publishers Inc. Hardback. Book Condition: new. BRAND NEW, Mathematics Education: A Numerical Landscape, Robert Adjige, Francois Pluinage, This book concerns the field of mathematics education. Today, for almost any technology, attaining the most advanced level relies on using digital systems. Therefore, the authors focus on number acquisition and use, emphasise major discussions about related topics, and introduce our personal contribution. They consider three areas: numbers in society, at school, and in the field of education. Modern society needs...

Reviews

This is basically the finest publication i actually have go through till now. We have read and i also am confident that i am going to likely to read through again once more in the foreseeable future. It is extremely difficult to leave it before concluding, once you begin to read the book.
