

The Manchester School: Practice and Ethnographic Praxis in Anthropology

By T. M. S. Evens, Don Handelman

Berghahn Books. Paperback. Book Condition: new. BRAND NEW, The Manchester School: Practice and Ethnographic Praxis in Anthropology, T. M. S. Evens, Don Handelman, "The book accomplishes admirably its stated aim, namely 'to highlight and critically examine the fundamental features of the extended-case method, in order to advance its substantial, continuing merits'. Its editors and chapter contributors demonstrate that the extended-case method is more than a 'method', it is a sophisticated mode of research and analysis arising from the long-standing political, institutional and epistemological concerns of Gluckman and his students. This book is a timely addition to the ongoing rethinking of practice theory after Bourdieu. With its ethnographic grounding, attention to situated process, and stress on the latent potentialities of social interaction for the structuring of social life (cf. Giddens 1984), the renewal of this social anthropological tradition signaled by the present study has much to offer cultural anthropologists in the United States and elsewhere." * Ethnos .Everyone will welcome this renewal of the extended case / situational analysis approach. Recovering the original reasons for doing things that one otherwise takes for granted not only recovers an earlier richness and generosity of intellect but makes for a very spirited and reinvigorating contemporary...

Reviews

This publication is indeed gripping and intriguing. It is actually written in basic terms and not difficult to understand. I am just pleased to explain how here is the greatest publication we have read through during my own lifestyle and could be the best pdf for at any time.
