

Video Notebook for Elementary Algebra (Paperback)

By Michael Sullivan, Katherine R. Struve, Janet Mazzarella

Pearson Education (US), United States, 2013. Paperback. Book Condition: New. 3rd Revised edition. 277 x 211 mm. Language: English . Brand New Book. NEW! The Video Notebook is an unbound, three-hole-punched workbook/note-taking guide that students use in conjunction with the Sullivan/Struve/Mazzarella Author in Action videos. The notebook helps them develop organized notes as they work along with the videos. * A Video Guide for each section is organized by learning objective. Typically, there is one Author in Action video per objective, and students are asked to write down important definitions and procedures and work through key examples as they watch the video.*The clean layout and ample space let students write out full definitions and show all work for the examples.* The unbound, loose-leaf format allows students to insert additional notes from class and/or homework-so they can build a course notebook and good study skills for future classes!.
