We have spared neither time nor pains to make the volume reliable. In the preparation of the sketches we have made no statements without most ample warrant, either from the missionaries themselves or from their own personal friends; and we would gratefully record our especial obligation to these persons for their prompt and generous aid. We propose to give our readers only a part of the history of our toilers in foreign fields. Just so much is presented as precedes and covers the first ten years of our Society. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
