Webster thinks he has made a friend online. but who is he really talking to? Webster tries his best to impress when he makes a new friend online. Told in playful rhyme, this story takes a turn when the friend wants to meet and Webster finds out who he has really been talking to! Webster s Friend delicately introduces the concept of online safety to young readers, offering an early caution about strangers online and the pitfalls of anonymity on the internet. One of a collection of award winning picture books about technology for children, that introduce topics about online safety, over sharing, email, meeting strangers online and using computers responsibly. Appropriate for a young audience (ages 3-8) they are a perfect tool for parents, teachers and librarians to teach children about digital issues or for new readers to explore themselves.
