Bibliogov, United States, 2013. Paperback. Book Condition: New. 246 x 189 mm. Language: English . Brand New Book ***** Print on Demand *****.The United States is a party to numerous security agreements with other nations. The topics covered, along with the significance of the obligations imposed upon agreement parties, may vary. Some international security agreements entered by the United States, such as those obliging parties to come to the defense of another in the event of an attack, involve substantial commitments and have traditionally been entered as treaties, ratified with the advice and consent of the Senate. Other agreements dealing with more technical matters, such as military basing rights or the application of a host country's laws to U.S. forces stationed within, are entered more routinely and usually take a form other than treaty (i.e., as an executive agreement or a nonlegal political commitment). Occasionally, the substance and form of a proposed security agreement may become a source of dispute between Congress and the executive branch. In November 2007, the Bush Administration announced its intention to negotiate a long-term security agreement with Iraq that would have committed the United States to provide security assurances to Iraq, and contemplated a long-term presence by U.S. forces in Iraq. This announcement became a source of congressional interest, in part because of statements by Administration officials .
