Does his reading comprehension increase or decrease when music is played in the background? Does she prefer to study alone or with others? According to nationally respected educators Mariaemma Willis and Victoria Kindle Hodson, our children process information in a multitude of unique ways. Discover Your Child's Learning Style shows you how to assess and nurture your child's individual learning potential based on his or her talents, interests, disposition, preferred environment, and more. Inside is a step-by-step program of self-awareness tests that guide you to a better understanding of your child's unique strengths and weaknesses, goals and interests, and inner peace. You'll discover how to create the right atmosphere for learning in the home. Most important, you'll help your child excel not only in school but in life as well. An excellent tool for discovering how a student learns best.
