H57 2010d OCLC Number: (OCoLC)729384331 Subject: Cyberterrorism -- United States -- Prevention. Excerpt: . . . 11 explore interdependencies between and among various sectors. The working group serves as a forum to bring Government and the private sector together to address common cybersecurity elements across the 18 CIKR sectors. They share information and provide input to key policy documents, such as the National Strategy for Trust-ed Identities in Cyberspace. The Department conducts its critical infrastructure protection activities under the National Infrastructure Protection Plan (NIPP) framework to facilitate effective coordination between Government infrastructure protection programs and the infrastructure protection and resilience activities of the own-ers and operators of CIKR resources. To secure critical infrastructure, the NIPP relies on the sector partnership with the Federal Government. This includes Sector Coordinating Councils and their associated Information Sharing and Analysis Centers, the Homeland Security Informa-tion Network, technology and service providers, specific topical working groups, and partners from across the 18 CIKR sectors. These information-sharing mechanisms will continue to enhance and facilitate information exchange throughout the CIKR community, private sector, and Government - making everyones networks and sys-tems more secure. The Information Technology Sector Baseline Risk Assessment (ITSRA) is an ex-ample of public and private sector information sharing. The completion of the ITSRA last fall was a significant milestone for both the NIPP sector partnership model and for the IT Sector Specific Plan implementation. This important effort identifies strategic and National-level risks to the IT sector and will inform risk management activities across the IT sector this year. It will also focus additional attention on important cross-sector IT risk-r. . . This...
