

How to be Civil Servant

Filesize: 6.5 MB

Reviews

Unquestionably, this is the greatest job by any author. It really is simplistic but shocks inside the fifty percent in the book. I am just pleased to inform you that here is the greatest book i actually have go through within my own existence and could be he greatest ebook for at any time.

Biteback Publishing. Paperback. Book Condition: new. BRAND NEW, How to be Civil Servant, Martin Stanley, The civil service is a profession, like any other, although it is seldom recognised as such by the public. When it was first published in 2000, Martin Stanley's seminal How to be a Civil Servant was the first guidebook to the British civil service ever published. This completely updated new edition provides the very latest advice about how civil servants should most effectively carry out their professional duties, and how they should respond to professional, ethical and technical issues pertinent to the job. The UK civil service employs 412,000 people across the country. Every year, over 25,000 students and graduates apply to enter the civil service through its fast stream competition alone. Many more join through other routes, such as graduating through administration roles, or as researchers and policy officers. It remains the only comprehensive guide on how to enter the civil service, how to work with ministers, how to address the media and how to avoid pitfalls and conflicts of interest.
