Reviews

This written ebook is fantastic. It is probably the most incredible ebook we have read. Its been written in an extremely basic way in fact it is just following i finished reading this publication where basically modified me, affect the way i think.

(Howell Reichel)

THE POPES: A HISTORY

Vintage Publishing. Paperback. Book Condition: new. BRAND NEW, The Popes: A History, John Julius Norwich, John Julius Norwich examines the oldest continuing institution in the world, tracing the papal line down the centuries from St Peter (traditionally - but by no means historically - the first Pope) to the present. Of the 280-odd holders of the supreme office, some have unquestionably been saints; others have wallowed in unspeakable iniquity. One was said to have been a woman, her sex being revealed only when she improvidently gave birth to a baby during a papal procession. Almost as shocking was Formosus whose murdered corpse was exhumed, clothed in pontifical vestments, propped up on a throne and subjected to trial. From the glories of Byzantium to the decay of Rome, from the Albigensian Heresy to controversy within the Church today, The Popes is superbly written, witty and revealing.
