

## Beyond Moral Judgment (Paperback)

Filesize: 1.5 MB

### ***Reviews***

*A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).  
(Matilda Hoeger V)*

HARVARD UNIVERSITY PRESS, United States, 2009. Paperback. Book Condition: New. 229 x 155 mm. Language: English . Brand New Book. What is moral thought and what kinds of demands does it impose? Alice Crary's book *Beyond Moral Judgment* claims that even the most perceptive contemporary answers to these questions offer no more than partial illumination, owing to an overly narrow focus on judgments that apply moral concepts (for example, good, wrong, selfish, courageous) and a corresponding failure to register that moral thinking includes more than such judgments. Drawing on what she describes as widely misinterpreted lines of thought in the writings of Wittgenstein and J. L. Austin, Crary argues that language is an inherently moral acquisition and that any stretch of thought, without regard to whether it uses moral concepts, may express the moral outlook encoded in a person's modes of speech. She challenges us to overcome our fixation on moral judgments and direct attention to responses that animate all our individual linguistic habits. Her argument incorporates insights from McDowell, Wiggins, Diamond, Cavell, and Murdoch and integrates a rich set of examples from feminist theory as well as from literature, including works by Jane Austen, E. M. Forster, Tolstoy, Henry James, and Theodor Fontane. The result is a powerful case for transforming our understanding of the difficulty of moral reflection and of the scope of our ethical concerns.
