Brand New Book ***** Print on Demand *****.Bullycide Box SetHave you or someone you know been a victim of bullying?The Devastating Effects Of BullyingChildhood bullying is on the rise, according to some studies, but can it actually cause death? According to the CDC, suicide accounts for 4,400 deaths per year in young people. This, of course, doesn't take the number of missed suicide attempts into consideration. A Yale University study found that those who are being bullied are estimated to be between 2-9 times more likely to contemplate suicide than those who aren't being bullied. ABC News reported that every day 160,000 kids stay home from school due to fear of bullying.Many high-profile bullying cases have garnered attention to the link between bullying and suicide across the globe in recent years. While, in the past, bullying could easily be brushed off as kids being kids or just a part of growing up, it can no longer be ignored. From children being bullied for their sexuality to the types of toys they play with, it's becoming a very real problem that...
