Brand New Book ***** Print on Demand *****.This is a sequel Memoir to my first book, If Seen My Journey Living With Anxiety. In Me Finally I show the reader why life could feel joyless while struggling with anxiety. I bring up my encounters with my family and past that led to living a joyless life. I show the growth I made through therapy and critical thinking. I explain how I began to accept myself for who I was. It is important that the reader understand how family dysfunction plays a role in the continuation of anxiety. This is book is in three parts. Joyless, Joyful, and Understanding. In Joyful I show how I came to understand my own sense of self and also how I improved it. I show how important it is to accept life as it was given to you. Within the book there are what I call Minuets. Situations that happened to me throughout my life that I felt fed the angst for me. I also show minuets that show why I should keep close the life events that created joy for me and not lose track, that amongst all the bad, there is always good. Thoughtful and provoking. Step in time with me and see how a different perspective, and learning about self can...
