DIVINE CONTACT-DISCOVERY OF THE ORIGINAL NEW TESTAMENT (PAPERBACK)

Lulu.com, United States, 2006. Paperback. Book Condition: New. 274 x 196 mm. Language: English . Brand New Book ***** Print on Demand *****.This book documents an incredible phenomenon in The Peshitta New Testament , which was written in the language of Jesus and his countrymen of 1st century Israel. Aramaic was used in Mel Gibson s film The Passion of the Christ to make the film as realistic and accurate as possible. This discovery of long Gospel messages in the form of Bible Codes will surprise and thrill the reader with the power and inspiration of the words of the Codemaker - God . One of these is a 191 letter code in poetic form (Hebrew Aramaic) found via Codefinder software, by skipping 74,806 letters of NT text to find each letter of the code. This goes through the NT almost 16 times ! This other long codes an exhaustive search for Divine Name codes give very compelling evidence that The Aramaic Peshitta NT is the Divinely authored original behind the Greek NT. The codes and nine other comprehensive analyses take up 128 pages.
