Mallard Independent Publishing. Paperback. Book Condition: new. BRAND NEW, Nightmare Begins: A Gothic Thriller by Bela Christie, Bela Christie, If Jane could find the beginning of the nightmare in which she finds herself, she might avoid the horrors into which she is heading. Confused with her new employer, the huge house and remoteness of the location, Jane feels as though she has stepped back in time 100 years. Why would so wealthy a family choose to live in the left wing of the house, with its nineteenth-century amenities, while the right wing, which has electricity and all the modern conveniences, remains unoccupied and locked behind a wrought-iron gate. There are blood-curdling terrors in the shadows cast by the oil lamp.
