

Red Velvet Underground: A Rock Memoir, with Recipes

Filesize: 2.4 MB

Reviews

It is fantastic and great. It is written in easy words and phrases instead of confusing. I am just delighted to explain how this is actually the best book I have got read through during my individual life and might be the finest publication for ever.

(Prof. Murl Shanahan DDS)

RED VELVET UNDERGROUND: A ROCK MEMOIR, WITH RECIPES

Surrey Books,U.S. Paperback. Book Condition: new. BRAND NEW, Red Velvet Underground: A Rock Memoir, with Recipes, Freda Love Smith, Freda Love was a 19-year-old college dropout who'd escaped Indiana for Boston when she became the drummer for The Blake Babies in 1989. Twenty-five years later, she's the suburban mother of two teenaged sons, teaching at a prestigious university, and thinking about restarting her last band, the Mysteries of Life. Her oldest is getting ready to head to college, and she realizes one of the best things she can do for him is teach him to cook. Red Velvet Underground tells the story of how Smith's indie-rock past evolved into her domestic present. Loosely framed around cooking lessons she gives her older son, her story moves back and forward in time as she recollects how she got started in music, and how her career in rock eventually dovetailed with her passion for cooking and, later, the growth of her family. The book intersperses forty-five recipes with personal stories about her music career, cooking, eating, and family. Throughout, she reflects on how food and music have intersected throughout her life, from the time The Smiths' "Meat is Murder" inspired her to become vegetarian, to vigorously beating dough at her college bakery job to The Velvet Underground, to seeing her musician son through his one-month experiment with veganism. As she compares her son's experiences to her own, Smith plumbs the deeper meanings behind the role of cooking in her life, her experiences starting and playing in different bands (in one of which--Antenna--she met her future husband, Jake Smith), going on the road, and pursuing work in and out of music as she raises her sons. Smith tells her story with characteristically Midwestern warmth and grace. Red Velvet Underground is a charming exploration of...
