

## Einstein, Religion, Politics and Literature-Connecting the Dots: The Institutional Matrices of Our Lives

By Mr. Lonnie Hicks

Lonnie Hicks Publishing. Paperback. Book Condition: New. Paperback. 462 pages. Dimensions: 9.0in. x 6.0in. x 1.1in. This book takes a look at all of the major institutions in American society, science, politics, our financial institutions, and literature looking to connect the dots as to how American society works, its values and impact upon the population. Seldom will any work undertake such a complete overview and offer, as well, practical solutions to the problems America faces today. A tremendous achievement, timely and practical. Mr. Hicks gives us solutions to the Wall Street financial structure; offers suggestions on how to reform our political structures, we receive an analysis of the bible, its history, and its place in American history and literature. Moreover, he gives us an astounding comparison between the views of modern science from Newton to quantum mechanics, comparing these ideas to those found in the bible--with astounding results. All written with a flowing conversational style which makes difficult ideas accessible to the reader. Wonderful book. Based on real time blogs, this book is a collection of essays on: 1-The Obama administration 2-Politics and the Congress 3-Family and Politics 4-The Internet 5-Wall Street, the Federal Reserve and the Banks. 6-Einstein and Modern...
