GENERATIVE ART

Manning Publications. Paperback. Book Condition: new. BRAND NEW, Generative Art, Matt Pearson, DESCRIPTION Artists have always explored new media, and computer-based artists are no exception. Generative art, an emerging technique where print or onscreen images are created by use of computer algorithms, finds the artistic intersection between programming, computer graphics, and individual expression. Generative Art presents both the technique and the beauty of algorithmic art. In it, you'll find dozens of high-quality examples of generative art, along with the specific...
