This item is printed on demand - Print on Demand Neuware - Essay from the year 2008 in the subject English - Miscellaneous, grade: 60%, South Bank University London (London South Bank University, UK), 23 entries in the bibliography, language: English, abstract: The definition of the concept of quality of life (QOL) has long been debated with contributions varying according to the different scientific disciplines, including social sciences, psychology, geography, philosophy, health economics, advertising, medical science, and history (Bowling 1995; Faruqhar 1995, Liddle & McKenna 2000).
