

Contemporary Portugal: Revolution and Its Antecedents (Paperback)

By -

University of Texas Press, United States, 1979. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Despite worldwide interest in the Portuguese Revolution of 1974, Portugal remained for most people a little known and poorly understood country, neglected for years by social scientists. Editors Graham and Makler brought together for the first time in one substantive volume most of the leading social science experts on Portugal. The contributors highly original research represents the best work generated by the International Conference Group on Modern Portugal at its two major conferences held in 1973 and 1976. The result is a comprehensive collection of essays discussing in detail the events leading up to the revolution, the causes of the military coup, and the movement of a society on the brink of revolutionary upheaval toward open, democratic parliamentary elections. As the first interdisciplinary study to span fifty years of Portuguese history from the Estado Novo of 1926 to the eventual social democratic republic, this book stands alone in its field. The specialist as well as the general reader will find insights into the dynamics of Portugal s people, politics, and economics.

Reviews

I just started out reading this ebook. We have read and so i am certain that i am going to gonna study yet again again in the future. I found out this book from my dad and i encouraged this publication to find out.

-- Kristoffer Kuhic

Very good eBook and beneficial one. It generally is not going to price a lot of. I discovered this ebook from my i and dad advised this book to learn.
