Much praised for his courage, his strength, and his loyalty, Steel has come to the attention of his Commander in Chief, the Duke of Marlborough. Tasked with rescuing a letter whose controversial contents could destroy Marlborough, Steel leads his men through the battle of Blenheim, risking death and destruction in the fight for another man's honour. And along the way he is constantly threatened from within by the mellifluous Major Jennings, intent on destroying Steel and all he stands for.
