

Hospital Billing: Completing UB-04 Claims (Paperback)

By Susan Magovern, Jean Jurek

McGraw-Hill Education - Europe, United States, 2008.

Paperback. Book Condition: New. 2nd. 274 x 216 mm.

Language: English . Brand New Book. Hospital Billing, Second Edition provides current content with a practical approach.

The content addresses the real world of the hospital billing department, integrating the computer skills and procedures needed for daily work. The material also addresses the types of critical thinking, analysis, and synthesis skills demanded by today's employers. The text includes instruction that entry-level hospital billers must understand, including the following: the hospital billing flow; basic coding and payment systems; the data elements required to complete the recently mandated new UB-04 form; the way in which form-completion requirements vary depending on the type of facility; the medical insurance plan, and inpatient/outpatient status; job performance in compliance with HIPAA privacy and best practices regulations; and how computerized systems are used for form completion.

Reviews

This is the greatest book we have read through till now. It is probably the most amazing book we have go through. I am just happy to tell you that here is the greatest book we have read through during my individual daily life and may be he best ebook for possibly.

-- **Eliseo Leffler**

This is the very best publication we have read through right up until now. It is one of the most incredible book we have read through. Once you begin to read the book, it is extremely difficult to leave it before concluding.
