Rhidauna , the first book of the great fantasy series The Shadow of the Revenaunt . The night before his Coming-of-Age, Ghyll and his two friends escape their castle on a clandestine boar hunt that will forever change their lives. The hunt proves a disaster, and with one of them badly wounded, they return just in time to see their island castle destroyed by macabre warriors from a dragon boat, and by flocks of fire-breathing birds. Ghyll s eighteenth birthday turns into a nightmare as they flee into the night. Now begins an epic journey to find out who is trying to kill them - and most importantly, why? Fortunately, they can count on the help of new friends, including a sometimes overly enthusiastic fire mage, an inexperienced paladin and a young beastmistress who is also a ferocious mountain lioness. It soon becomes clear that not one but several sorcerers want to kill them. Are those blackrobes really followers of a terrible, long-forgotten organization? And whose cold hand reaches across the boundaries of space and time to crush weakened Rhidauna? Note from the Author: This version has been revised on some vital plot points. Rhidauna by Paul E. Horsman is a compelling and fast paced fantasy story that takes you on a thrilling, action packed horseback adventure across a country filled with powerful magic, greed and treachery.
