

## Humanizing Psychiatry: The Biocognitive Model (Paperback)

Filesize: 4.21 MB

### ***Reviews***

*This pdf is amazing. I actually have read and i also am sure that i am going to planning to read once more yet again in the foreseeable future. Your lifestyle period will probably be convert once you total looking at this publication.*

*(Ms. Aileen Larkin)*

## HUMANIZING PSYCHIATRY: THE BIOCOGNITIVE MODEL (PAPERBACK)

Loving Healing Press, United States, 2009. Paperback. Book Condition: New. 252 x 176 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Does psychiatry have a future? Assailed from many directions, under constant attack for its reliance on a drug for all problems and increasingly unable to attract bright new trainees, the specialty is showing every sign of terminal decline. The reason is simple: modern psychiatry has no formal model of mental disorder to guide its daily practice, teaching and research. Unfortunately, the orthodox psychiatrists who control this most conservative profession are utterly antagonistic to criticism. Despite the evidence, they maintain a blind faith that science will deliver the goods by a biological examination of the brain. This book argues that their faith is entirely misplaced and is contributing to the destruction of an essential part of civilized life, the fair and equitable treatment of people with mental disorders. The author offers a rational model of mental disorder within the framework of a molecular resolution of the mind-body problem. Fully developed, this model will have revolutionary consequences for psychiatry--and the mentally-afflicted. Acclaim for the writing of Niall McLaren, M.D. This book is a tour de force. It demonstrates a tremendous amount of erudition, intelligence and application in the writer. It advances an interesting and plausible mechanism for many forms of human distress. It is an important work that deserves to take its place among the classics in books about psychiatry. --Robert Rich, PhD, Dr. McLaren brilliantly wields the sword of philosophy to refute the modern theories of psychiatry with an analysis that is sharp and deadly. His own proposed novel theory could be the dawn of a new revolution in the medicine of mental illness. --Andrew R. Kaufman, MD, Chief Resident of Emergency Psychiatry, Duke University Medical Center...
