OCLC Number: 753757505 Excerpt: . . . physicians and other providers must enroll with states as Medicaid and CHIP providers to receive payment for services provided under these programs, enrollment does not require physicians to serve a specific number of program beneficiaries or accept all program beneficiaries seeking care. The Childrens Health Insurance Program Reauthorization Act of 2009 (CHIPRA) required that we study Medicaid-and CHIP-covered childrens access to primary and specialty care, including information on providers willingness to serve these children. In this report, we address 1. the extent to which physicians are enrolled as Medicaid and CHIP providers and serving children in these programs, and the extent to which physicians are accepting these and other children as new patients; and 2. the extent to which physicians experience difficulty referring children in Medicaid and CHIP for specialty care, as compared to privately insured children. To answer our two research objectives, we conducted a national survey of physicians who serve children. We surveyed a nationally representative sample of physicians from each of three groups - specialty care physicians, primary care physicians in urban...
