He is especially indebted to Dr. S. F. Acree, at whose suggestion this research work was undertaken, for counsel and assistance in its prosecution. He would also thank Messrs. Parke, Davis and Co., of Detroit, Mich., for the preparation of the crude material used in this investigation, and the U. S. Department of Agriculture, Washington, D. C, for electrotypes of figures 17, 18, and 19 in Bulletin No. 20, Division of Botany. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
