THE LITTLE BOOK ON SMALL GROUPS (PAPERBACK)

Createspace, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****.Have you ever heard the statement that powerful things come in small packages? We use this catch phrase jokingly about an individual who has a spunky attitude in a small body. We generally think of this phrase though in terms of items that are small in structure and yet powerful in their implementation and influence. The purpose of this book is to give you a stick of dynamite. These simple truths are dynamic, powerful, and they can be used to help make significant changes in any size church including yours. The spark is the work of the Holy Spirit that must ignite and explode what is contained. What is needed desperately in churches (specifically in Sunday School/small groups) today is for the fuse to be ignited through supplication and preparation. Then when it all comes together that which is inside will impact that which is surrounding. Artwork by Chris Groves.
