## **DIGEST OF WORKMEN S COMPENSATION LAWS, 1912: A REFERENCE WORK FOR THE LEGISLATOR, LAWYER, INSURANCE EXPERT, EMPLOYER AND EMPLOYEE (CLASSIC REPRINT) (PAPERBACK)**

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Digest of Workmen s Compensation Laws, 1912: A Reference Work for the Legislator, Lawyer, Insurance Expert, Employer and Employee Workmen s Compensation legislation has come to stay. To stand in the way of equitable laws is worse than folly. Humane as well as economic considerations demand the early adoption of Workmen s Compensation laws in every State of the Union. If the progressive element among legislators, employers, wage workers, insurance experts and the public at large do not settle this problem in an economic, efficient and humane fashion, it will be settled for us with a vengeance by the demagogue and agitator. Fourteen States have already enacted Workmen s Compensation laws of one kind or another. There is little uniformity among these laws and their respective merits are problematic. Reasonable uniformity is an essential requirement to the future success of Workmen s Compensation legislation in the United States. There is nothing that will promote uniformity and progress more than a general knowledge of laws already enacted. This booklet, giving a complete but concise digest of details of each State law as compared with similar ones in the laws of other States, should be in the hands of every progressive legislator, writer, employer, employee, insurance expert and every student of this important problem, which is second to none in the United States at the present day. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
