

## Life After Grad School

By Jerald M. Jellison

Oxford University Press, USA. Paperback. Book Condition: New. Paperback. 208 pages. Dimensions: 9.0in. x 6.1in. x 0.7in. Most of the 2.5 million graduate students in the U. S. are in programs designed for a career in academics. But the unspoken truth is that less than five percent will realize their dream of becoming a professor. The rest have little idea how to begin making a living in the business world. Life After Grad School is for students in all academic disciplines, with or without a Ph. D. This book illuminates the transition from academia to a satisfying and well-paying job with a company, government agency, or not-for-profit organization. Realistic and reassuring, it helps students structure their decision about leaving academics, and orients them to the culture of business. Readers learn how to adapt the knowledge and skills developed in grad school for business applications. Written for intelligent, mature students, the book provides practical tools and generates the confidence to find fulfilling alternative careers. Jerald Jellison, an authority on personal change, presents a clear, concrete roadmap that thoughtfully explains how to: identify good starter jobs, move from a CV to a compelling resume, present academic experience as a plus to interviewers,...

### Reviews

*A very wonderful book with lucid and perfect answers. It is probably the most incredible book I have studied. It has been designed in an exceptionally simple way and is particularly just after I finished reading through this publication by which in fact transformed me, alter the way in my opinion.*
