Excerpt: . customs and prejudices, as well as of the character of this typical Latin race. One must also realize that it is not very long since Italy was united under the rule of the Kings of Savoy and Lorraine, and that before that time, the several small states or kingdoms, into which the country was divided, were separated as distinctly as the lines are now, the dialectic form in the different states, and this, the people of Veneto do not understand; the common language spoken in Bologna or this, the husband or his mother never permitting the young wife to go out on the street unaccompanied. In many families in Naples and Sicily this constant surveillance of the women still prevails, and without her brother or husband, she dares not go out...
