They are people age 40 and older who have pioneered the art of finishing well in these modern times, and who can teach us to do the same, starting today. Buford sought out 60 of these trailblazers---including Peter Drucker, Roger Staubach, Jim Collins, Ken Blanchard, and Dallas Willard---and has recorded their lively conversations in these pages so that they can serve as mentors in print for all of us. Twenty years from now, Buford writes, the rules for this second adulthood as a productive season of life may be better known. But for now, were out across the frontier breaking new ground. Buford gives you a chance to sit at the feet of these pioneers and learn the art of finishing well so you can shift into a far more fulfilling life now, no matter your age, and pursue a lasting significance that will be a legacy for future generations.
