It was sunk in a hurricane on a reef off the coast of Haiti, and no one knew what happened to it. About 350 years later an ancient parchment document was discovered in the archives of a museum in Havana that brought the subject of that galleon to a small U.S. Navy crew that worked for the Office of Naval Intelligence. It led Captain Al Jacobs and his crew on a fascinating adventure. This is the fifth novel in Rubin s series, which also includes Chasing Pirates, The Counterfeit War, The Missing Bomb, and U-Boat Secret Mission.
